

Outstanding Achievement

5.a. Outstanding Contribution to the Asia Mobile Industry

The Outstanding Contribution to the Asia Mobile Industry Award is the highest honour in the Asia Mobile Awards.

The award recognises sustained or extraordinary contributions by individuals, organisations or collaborative achievements that advance the value and benefits of mobile communications for people, business and societies in Asia. This discretionary award is selected by the GSMA.

This category is NOT Open for entry.

2018 Winner: Cher Wang, Chairwoman, CEO & President, HTC
