"The honor of winning consolidates our position as a key contributor to bringing digital to every person, home and organization for a fully connected, intelligent world"

Fupeng Zhange, VP, Huawei Wireless Marketing Operation

"The minute we announced our win we got a lot of spikes in traffic to our website, our visibility increased, and in the months afterwards we won several other awards that we were able to win probably as a consequence of that. And beyond that, the following year, we are getting several new tier one wins."

Patrick Ostiguy, Founder, President & CEO, Accedian
